

I love to make this wonderful holiday treat for gifts. It is really delicious and relatively low-cost:

White Chocolate Mix

1 10-oz. pkg. mini pretzels

5 cups Cheerios

5 cups Corn Chex

2 cups salted peanuts

1 pound M&Ms

2 packages vanilla chips

3 tablespoons vegetable oil

In a large bowl, combine first five ingredients and set aside. In a microwaveable bowl, heat chips and oil for 2 minutes, stirring once. Pour over dry ingredients and mix well. Spread onto wax paper, cool. Break apart. Store in an airtight container. Makes 5 quarts.
